DECRETO Nº 2400. -

ESTABLISHING THE NATIONAL COUNCIL FOR **VITAL STATISTICS AND REPEALING DECREE No. 1064 OF** 27 **NOVEMBER 2003**

\sunción,JJ de ag of 2t)24

HAVING SEEN: I.a Note DISP and US/S.€›. No. 1476/2024 from the Ministry of Public Health and Social Welfare, requesting the establishment of the National Council for Vital Statistics, within the framework of the Sustainable Development Goals (SDGs); and

CONSIDERING: That Article 238, paragraphs 1) and ?), of the National Constitution empowers the President of the Republic to direct the general administration of the country and to regulate laws.

Article 143 of Law No. 836/19SfJ, "Health Code," stipulates that the Ministry of Public Health and Social Welfare shall be responsible for the collection, processing, analysis, and annual publication of vital and health statistics for the health sector.

Nº 68. -

Article 144 of the aforementioned legal text establishes that all institutions, public and private, related to health are obliged to periodically collect and provide the data that the Ministry of Public Health and Social Welfare needs to carry out statistical analysis and evaluation.

true The preparation of vital statistics requires the provision of data from various responsible State institutions, which is why there is a need to coordinate joint actions with them and to readjust the functions and composition of a new National Council for Vital Statistics in order to improve the information
provided in accordance with internationally accepted and used standards.
